Subject: Envoi d'un message : C.V. Serge Brammetz.doc

Dear both,

I have got an intention from Serge Brammetz to apply as executive committee member of the IAP. I do not think that I have to tell much about him as you know him very well.

I inform you and I send attached the C.V. that he sent to me.

I think that it would be good if Henk could be in touch with Serge and inform the exco members of his application.

On my view, it is clear that he is a good candidate, and his C.V. shows well enough his involvement in the field of international cooperation; he might represent this new kind of prosecutors acting in the international tribunals.

I wish you a safe journey to the Gulf and a very fruitful meeting.

Amitiés
