Information - News - Events

This website has been designed to support the work of NRP in Europe by providing a platform for the exchange of information concerning football matches with an international dimension. The available forms on the site are in accordance with the EU Football Handbook on International Police Co-operation. Each NRP also has a 'Member Page' which allows them to share their football related legislation and other key documents with each other (a library function).

How to use

Where are the "DM" match forms?

These forms have been moved to a new location on the website. If you would like to search for data in these forms you'll have to go to the section "DM match form". You'll find the address on the top of your screen next to "DM".

How to forward a form?

There are six weeks of the DM match forms available on the website. If you would like to search for data in these forms you'll have to go to the section "DM match form". You'll find the address on the top of your screen next to "DM".

Forwarding forms (granting email temporary access)

As presented during the police meeting in London the forwarding option is available for every NRP member. With this option you're able to send a temporary access to forms by email. The addresses will be sent in an email with a temporary login and password, after using the login and password the user will be directed to the form. After the user completes the form and presses submit the temporary access will be finished.

Member states

At this moment 18 countries in Europe are now authorized to provide with information exchange. In all countries you can use all the services for members. The authorization for the site can be renewed at various levels. That is a positive that enables the football club function to provide.

Forwarding website

The website is managed by the NRP (NL) on behalf of all member countries. For questions or comments please send a mail message to info@nrl.nl and the off-site services use the site.

REALFANS AANGEHOUDEN IN AMSTERDAM

Op de Weteringschans in Amsterdam heeft de politie aanhangers van Real Madrid opgepakt. Een groep van 150 voetbalfans was van plan supporters van Ajax te treffen.

De Spanjaarden hadden stokken bij zich en ander materiaal om mee te slaan. Ook riepen ze discriminerende teksten en brachten ze de Hitlergroet. De mobiele eenheid wist de groep in te sluiten.

roup ULTRASSUR it's expected to travel to Amsterdam the match day (the mpt of confrontation between this group and the Ajax risk supporters who

There was information that a group of about 170 RISK supporters from Real Madrid would visit Amsterdam to fight with supporters form Ajax. This was a group with the name ULTRASSUR. This Group was spotted on the Airport and followed. 11 members of this group Shouted; "Sieg Heil" while holding one hand straight in the air. (multiple times) These persons where directly arrested and got a fine of 200 euro each. (which they had to pay directly) The rest of the group were preventively arrested and searched. The local police found multile weapons, prepared caps, prepared jackets, fireworks and etc. The whole group was then hold on a police area and then send back towards Spain. This did not gave anyproblems. 

Some or them could became violent if they are provoked. The usually obey the instructions given by the police and they are used to be searched in the entrance to the stadiums, so they won't show any objection to it.
