

5th Regional Conference for Central and Eastern Europe and Central Asia

Dear Colleagues,

It is our honor to invite you to participate at the 5th Central and Eastern Europe and Central Asia regional conference that will be organized by the Association of public prosecutors and deputy public prosecutors of Serbia. The conference will be organized in Belgrade from October 27 to October 30.

This year's topic will be "Cooperating against corruption". In today's world the need for cooperation between countries is of great importance. Due to the occurrence of cross-border crime, the need for exchange of information and joint action is required. After many periods of crisis that hit the region, cooperation is set as a condition that would contribute to the strengthening of the state in this region, as well as further development of the region. Condemnation of corruption, incrimination of such activities and harmful effect to the state - it is common to all societies and what makes them different in terms of social phenomena corruption is a way of fighting against it and its effectiveness in fighting.

The official language of the conference is English. We anticipate a high demand for places. For that reason you are requested to register well in advance. Also, we kept the cost of the conference to a minimum – registration fee Euro 150 for full participants and Euro 50 for accompanying person.
